

APPRECIATION OF WORK EXPERIENCE AND PERFORMANCE

This is to certify that **M/s German Gulf Engineering Consultants** was appointed as the consultant to render services with regard to the project Shuweihat S3, independent power plant at Sector Jabel Dhana, Ruwais, Abu Dhabi. The scope of services included review and architectural and structural drawings, obtaining approvals and NOCs for building permits, technical supervision and obtaining completion certificate for all technical and non-technical buildings.

We are pleased to state that the performance of **M/s German Gulf Engineering Consultants** in executing their part of the project was excellent in terms of quality of work and adherence to time schedules and have contributed to the overall success of the project.

We are happy to recommend M/s German Gulf Engineering Consultants for handling similar projects in the future.

Best Regards,

Hyuck Choi
S3 IPP Site Manager
DAEWOO E&C CO., LTD

Note: This certification is issued to German Gulf upon Their request without any legal obligation on the part of the company.
