APPRECIATION OF WORK EXPERIENCE AND PERFORMANCE

This is to certify that M/s German Gulf Engineering Consultants (German Gulf) was appointed as the consultant to render services with regard to the Design Upgrade of the Show Warehouse and KLP Phases 2 & 3. The scope of services included review and enhancement of the AD Ports Designs for a Show Warehouse, and Phases 2 & 3 of Kizad Logistics Park (64 Nr. Warehouses). The scope of services of German Gulf included the submission of the detailed planning application, production of Detailed Design Drawings, Specifications and Bill of Quantities, obtaining Design Approvals and NOCs and were completed in January 2017.

We are pleased to state that the performance of M/s German Gulf Engineering Consultants in executing their part of the project was excellent in terms of quality of work and adherence to time schedules and have contributed to the overall success of the project.

We are happy to recommend M/s Gulf Engineering Consultants for handling similar projects in the future.

Best regards,

David Gatward
